Lovejoy Private Lesson Program

Lovejoy ISD offers a high quality private lesson program. Private lessons are optional, but recommended. Lessons allow an expert on your child's instrument to tailor instruction to your individual child's needs. Students who take private lessons are often the top performers in their class.

The district rate is \$25 per lesson, and lessons are typically ½ of a class period, once per week.

If your child would like to start learning over the summer, please contact a private lesson teacher to set up summer lessons. This is completely optional, but we know that some students want to get a head start.

Please do not allow your child to try to teach himself/herself. It is easy to learn incorrect habits, and your child will be frustrated when we have to correct them when the year begins.
